

“Hey, you’re listening to the world-famous **KROQ**, Southern California’s number one source for **THE ROCK**.

You just heard some righteous new **ROCK** from **Disturbed** and before that a **ROCKIN’** new track from **Incubus**. Now here’s **Jurassic 5** with its latest, “**What’s Golden**”—a song that, well, rocks ...sort of... **Whaaaaa?** ➤➤

***“LIFE IS RICH, and we’re here to take  
some risks musically, as well as say some real shit,  
and make your ass move and entertain you visually,”***
